REPRESENTATIVE SPORT NOMINATION FORM 2019

Throughout the year Toowoomba Primary School Sport and Darling Downs School Sport run trials in a variety of sports to choose representative teams. In most cases students are required to participate in a Toowoomba Trial to be eligible for a Darling Downs Trial. These teams will travel away to Regional and State Championships.

For a student to be eligible for nomination it is important that they have had a reasonable amount of experience and have a high level of skill in their chosen sport. In some cases, like touch football, where there are a number of interested candidates, the school will conduct in-house trials to choose players to be nominated for these trials. This is important for a number of reasons; 1) the players that the school nominates need to meet the required selection criteria, 2) players need to be of a suitable standard to trial and 3) schools are limited to a certain number of students at these trials.

It is also important to note, that only students who are available to attend both the Regional and State Championships, will be eligible for nomination. All nominations for these trials need to go through the school, and decisions on which students are nominated are at the sole discretion of the school. **Please remember that in the majority of cases the teams being selected will be open aged – i.e 12 years and under, therefore a 10 or 11 year old child would have to be as good, or better than their 12 year old counterparts at school or club.**

It is also important to note that this is for Regional representative sport, it is not for Mater Dei teams for interschool sport. As a guide, the children who nominate would have played the sport for a few seasons and be one of the better players in their team. Please note that the

dates below are subject to change. If your child would like to be considered for Zone, Toowoomba or Darling Downs Team selection, please check your availability for ALL the trial dates and complete the application form below:
